Reward to the TRIZ symposium participation

Cooperation in participation of Japanese TRIZ society activity

September 8, 2012

TRIZ society. NPO
Symposium Execution Chairman
Yuji Mihara

The 8th TRIZ Symposium

- The symposium was executed in two days of Sep.7 and Sep.8.
- The tutorial and the theme lecture for the beginner were done on Sep.6.
- An advanced seminar was concurrently executed for oldie on Sep.6.

- A keynote by Dr.Denis Cavallucci, And Special lectures by Dr. Jeongho Shin, and Mr.Kenichi Yumino of the Japan Creativity Society were executed.

The participant from abroad decreased sharply for a East Japan great earthquake last year. The number of participants has increased this symposium because of many participants from Korea.

However, the size of the turnout from the country has not recovered.

The size of the turnout (country and foreign countries)

Last year: 116 people.

This year: 127 people.

The 8th symposium

We got the backup of the Japan Creativity Society and the support of Japan Society of Design Engineering and Nikkan Kogyo Newspaper.

Next time, we want to deepen the cooperation of a related society and the group, and to attempt to get a lot of visibility and an increase of the participant.
